2017 New Testament Reading Plan

JULY - SEPTEMBER

In 2017 we are reading through the entire New Testament (260 chapters) using the **NT 260 Bible reading plan** found on **YouVerse App** or **bible.com** (search PLANS and enter NT 260). Simply read one chapter per day, five days a week, with two days to catch up or reflect. This is something everyone can easily do—and your life will be blessed as you read the Word of God!
