LOVING GOD / LOVING OTHERS / LIVING TRANSFORMED LIVES

## Today we welcome **Candy Wigington** to Harvest Church!

Candy Wigington has served as a National Ministry Lead for OneChild for 15 years. She and her husband, Dave, travel and share about OneChild vision. OneChild has made a difference in children living in abject poverty. They believe we can change the world one child at a time.

The ministry was started in Calcutta, India by Mark and Huldah Buntain and over the years has grown to working in 14 developing countries. OneChild brings hope to 40,000 children living in hard places so they don't just survive but thrive. They are a holistic ministry bringing nutrition, education, medical attention, social development and of course, Jesus to these precious children.

Candy says these children did not choose to be born into abject poverty (generational poverty) they find themselves in. However, if we don't help them, they will pass it on to their children (the next and the next and the next generation). Psalm 82:3-4 "We are here to defend the defenseless, to make sure the underdogs get a chance. Our job is to stand up for the powerless. Rescue the weak and needy and deliver them from the hands of the enemy." Candy knows that we can, and we must bring hope and a better future to these children.
